Free Anti-Spyware Protection for US Military Personnel

SUPERAntiSpyware.com supports our troops by providing free copies of SUPERAntiSpyware Professional to protect them just as they protect us.

EUGENE, OR (December 11, 2008) – SUPERAntiSpyware.com, a Pacific Northwest developer of state-of-the-art anti-spyware solutions, is offering any US Military Personnel stationed overseas or stateside this holiday season a free, fully registered copy of its flagship product SUPERAntiSpyware Professional.

SUPERAntiSpyware, in use by nearly 13 million users worldwide, is an innovative product that protects users from Spyware, Malware, Adware, Trojans, Rootkits, Homepage Hi-Jackers, Worms, Dialers and Parasites. SUPERAntiSpyware focuses on detecting hard to remove spyware which other products often miss, or are unable to safely detect and remove.

 "We are grateful for the hard work and sacrifices that our troops are engaged in overseas and realize how difficult it is to be away from their families," said Nick Skrepetos, founder of SUPERAntiSpyware.com. "By providing free copies of SUPERAntiSpyware Professional, our troops using the Internet will be safe from potentially harmful software that often finds its way on to computers worldwide."

SUPERAntiSpyware will detect and remove over 1,000,000 potentially harmful applications such as Vundo, Media-Codec, AntiVirus 2008/2009, SmitFraud, and ZLob. SUPERAntiSpyware definitions are updated daily to protect users against the latest zero-day threats.

Military personnel may visit http://www.superantispyware.com/troops for complete instructions on retrieving their free copy. If you know someone who is in the military overseas, please let him or her know about this unique offer!

SUPERAntiSpyware.com offers two versions of SUPERAntiSpyware. The SUPERAntiSpyware Free Edition, a 100% free product, will detect and remove potentially harmful software from a user's computer. The Professional version offers real-time protection against the installation of new threats, scheduled scanning and removal as well as additional protective features not available in the free edition.

SUPERAntiSpyware Professional is priced at $29.95 for the general public and includes updates for one year. SUPERAntiSpyware is available for immediate download from www.superantispyware.com. SUPERAntiSpyware is supported by Windows 98, 98SE, ME, 2000, Media Center, Vista and XP.

About SUPERAntiSpyware.com
Founded in 2004, SUPERAntiSpyware.com is led by Nick Skrepetos, a 24 year industry veteran, who is also the creator of the popular SUPERAdBlocker and SUPERFileRecover series of products.
